Subject: Worship Together Conference 2025 Proposal

I'm writing to ask for approval to attend the Worship Together Conference on February 6-7, 2025 in Nashville, TN.

The Worship Together Conference is a gathering designed to unite worship leaders, pastors, musicians, and creatives seeking to rejuvenate their teams and amplify their impact. It will provide an opportunity to hear what The Church is singing right now for setlist inspiration, equip me with leadership and discipleship tools, and provide an opportunity for our team to connect and grow together.

Beyond the practical takeaways from the conference, there is also a deep focus on spiritual growth and renewal for leaders. The conference will explore what it means to live in stillness despite chaos that surrounds us every day. I think the takeaways from this conference far outweigh the investment—both individually for me and collectively for the church body.
